# WHAT WE DO

## AN INCLUSIVE MODEL

At Project Independence we have worked for over 45 years to serve hundreds of people throughout Orange County build lives of true independence even when challenged with developmental disabilities. With the help of our wonderful community partners and employers we work from an “Inclusive Model.” Through our programs, our community grows stronger by including all who hope for a happy and independent life. A life of achievement, accomplishment and inclusion.

“Quote from client goes here - something about how much they love Project Independence and how their life has been impacted.”
